F401	SEXUAL VIOLENCE Girls and women may experience unwanted sexual contact by people they know well, such as a romantic partner, family member or friend, or by strangers. The questions in these sections are personal, and may be uncomfortable to answer, but you will help us understand people's experience of sexual contact without their permission. Your answers are confidential and you can skip any questions you prefer not to answer. Please note that anytime we refer to "sex" we mean someone penetrating your vagina or anus with their penis, hands, fingers, mouth, or any other objects, such as a gun or a stick, or penetrating your mouth with their penis. SV1: TOUCHING WITHOUT CONSENT-LIFETIME These questions ask you about a time when anyone, male or female, touched you in a sexual way without your permission, but the person did not try and force you to have sex. Touching without permission includes being fondled, pinched, grabbed, or touched against your will either directly or through clothing of the genitalia, anus, groin, breast, inner thigh, or buttocks. F701	SV4: PHYSICALLY FORCED SEX- LIFETIME The next questions ask about a time when anyone, male or female, <u>physically forced</u> you to have sex with them without your permission. Please remember that by "sex" we mean someone penetrating your vagina or anus with their penis, hands, fingers, mouth, or any other objects such as a gun or a stick, or penetrating your mouth with their penis. Your answers are confidential and you can skip any questions you prefer not to answer. By physical force , we mean things like being pinned or held down or use of violence like pulling your hair, pushing, shoving, punching, using or threatening to use a weapon, or threatening to physically harm you or a loved one. We include experiences when you may or may not have fought back. How many times in your life have you been <u>physically forced</u> to have sex regardless of whether you did or did not fight back?
