M401	SEXUAL VIOLENCE Boys and men may experience unwanted sexual contact by people they know well, such as a romantic partner, family member or friend, or by strangers. The questions in these sections are personal, and may be uncomfortable to answer, but you will help us understand people's experience of sexual contact without their permission. Your answers are confidential and you can skip any questions you prefer not to answer. Please note that anytime we refer to "sex" we mean someone penetrating your anus with their penis, hands, fingers, mouth, or any other objects, such as a gun or stick, or penetrating your mouth with their penis. Sex can also include putting your penis into someone's mouth, vagina, or anus. SV1: TOUCHING WITHOUT CONSENT-LIFETIME These questions ask you about a time when anyone, male or female, touched you in a sexual way without your permission, but the person did not try and force you to have sex. Touching without permission includes being fondled, pinched, grabbed, or touched against your will either directly or through clothing of the genitalia, anus, groin, breast, inner thigh, or buttocks.
